

Manilla Community Preschool Celebrates 40 Years

On Saturday 22nd October Manilla Community Preschool turned 40. Regardless of the horrendous weather about 80 people returned to Preschool to celebrate this momentous occasion. Pictured below are staff members past and present. It was a great reunion for lots of people who travelled from far and wide. It was with great pride we were able to show all the improvements and changes resulting from lots of successful grant applications and the hard working efforts of fund raising Committees.

A huge thank you once again to Manilla Lion's Club who always go way above and beyond to support our little Preschool. Roy, Barbara & Robyn braved the elements to make sure we were all fed on the day. They make the BEST sausage sandwiches, even in the wet.

Pictured on the left are people that were involved early on in getting Preschool up and running.

Thank you to all those who helped to make this day such a success and helped us celebrate another milestone. Manilla Community Preschool is alive and well and making its mark in our community.

Wednesday 25th October was also the grand launch of our website. Please take the time to have a look - www.manillapreschool.com.au
